Legal Aspects of Privatisation: A Comparative Study of European Implementations (Paperback)

By Bulent Seven

DISSERTATION.COM, 2002. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.To present a comprehensive analysis of the concept of privatisation its origins and limits, (b) To identify the legal and institutional framework for privatisation in different European countries from a comparative perspective; (c) To define and analyse particularly legal issues which arise during the privatisation transactions: e.g. labour law, competition law etc.; (d) To evaluate which features of the successful legal and organisational framework of privatisation have been successful so as to provide guidelines for those individuals and organisations participating in the privatisation exercises. This work found out that there is no simple, internationally applicable recipe for privatisation; various legal methods and techniques can be used to privatise state owned enterprises. Because each country has different circumstances, it is impossible to provide a unique model for privatisation; each country needs to design its own model according to its circumstances. Privatisation is an essential but insufficient element for structural economic reform in the economy and society. Privatisation is not a panacea, it is not the solution to every economic and administrative problem; selling an enterprise to the private sector does not mean an end to all...

Reviews

A new e book with a brand new standpoint. I am quite late in start reading this one, but better then never. I discovered this ebook from my i and dad advised this publication to understand.

-- Jada Franecki II

Here is the very best book i have got read through until now. I could possibly comprehended everything using this composed e publication. You will not sense monotony at whenever you want of your time (that's what catalogues are for concerning should you ask me).

-- Izaiah Schowalter
