THINK DSP (PAPERBACK)

O'Reilly Media, Inc, USA, United States, 2016. Paperback. Condition: New. Language: English. Brand new Book. "Think DSP: Digital Signal Processing in Python" is an introduction to signal processing and system analysis using a computational approach. The premise of this book (like the others in the Think X series) is that if you know how to program, you can use that skill to learn other things. By the end of the first chapter, you'll be able to decompose a sound into...
